REVISED ELECTION

Dear Sir:

In response to the Office Action mailed on June 28, 2005, Applicant hereby revises the election previously filed by Applicant on April 8, 2005. Applicant's Attorney acknowledges misclassifying some of the claims dependent from claim 1 in the previous election. Applicant's Attorney has performed a thorough review of the claims and corrects the election as follows.

Applicant hereby elects the species directed to (a) the embodiment of the invention depicted in figures 1-6. In accordance with Examiner's requirement that Applicant list all claims readable thereon, Applicant identifies apparatus claims 1-2, 4-11, 14, 16-18 and 34-37 as reading on the embodiment of figures 1-6. In addition, Applicant identifies method claims 48 and 49 as reading on the embodiment of figures 1-6. Applicant notes that claims 1-2, 4-11, 14, 16-18, 34-37 and 48-49 also read on many of the other 26 embodiments listed by Examiner in the Restriction Requirement.

Unelected dependent claims 3, 12-13, 15 and 19-33 are dependent from elected independent claim 1. As indicated by the Examiner, upon the allowance of a generic claim,

MAD-001

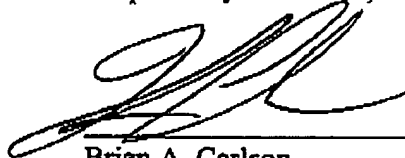

Page 1 of 2

Applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 C.F.R. § 1.141.

Applicant has removed claims 3, 12, 13 and 15 from the current election, as suggested by the Examiner. In addition, Applicant has added claims 17-18 to the election. Claim 17 states that "the base portion comprises three legs extending therefrom." As shown in Figs. 1-2, base portion 24 has four legs 70 extending therefrom, and thus claim 17 reads on this embodiment. Claim 18 states that "the legs are pivotably coupled to the base portion to provide an adjustable height for the base portion." As shown in Figs. 1-2, legs 70 may be pivoted with respect to base portion 24 by adjusting leg height adjustment screws 74, and thus claim 18 reads on this embodiment.

No fee is believed due in connection with this filing. However, should one be deemed due, please charge Deposit Account No. 50-1065. If the Examiner should have any questions, Applicant respectfully requests that the Examiner contact Applicant's attorney at the phone number below.

Respectfully submitted,

Brian A. Carlson
Attorney for Applicant
